

Disappearance of the Outside

**Edmonton, Alberta,
in the time of COVID-19**

2020

August

**Butterdome-
Health Sciences area**

Lesley Battler

collective repression

sudden appearance of the Green Door

theatre entrance

orderly procession of epic time

post-colonial framework

prevailing materialism

profound loss

an amorphous place

dialectic between stories and experience

remains of any story

continental drift

sliding into fiction

spiritually ambitious

in the borderlands

agent provocateur

windows with strong opinions

storming the bastille

curious paradox

a furtive becoming
